# GO WITH MORE

GWM is a world-renowned vehicle manufacturer and the parent company of Haval. At GWM, everything we do is grounded in our corporate philosophy: 'improving little by little, every day.' From building world-class research and development systems, which enable continuous innovation, to following the 'excessive investment' principle, which drives industry leadership, we relentlessly put our philosophy into practice. Haval is a

global SUV specialist and part of the rapidly-growing GWM group. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 6 million sales to date in more than 60 countries (and counting), we are the No.1 SUV brand in the world's largest market and have been for the past 15 years. We attribute our success to passion, drive and a commitment to listening to our customers.

# ELEGANT DESIGN. EFFICIENT PERFORMANCE.

Embodying the ethos of form meeting function, the Haval Jolion redefines space, comfort, sophistication and utility. Sporting 18" chrome alloy wheels^, a strikingly bold front grille design and dynamic rear lights, this sleek SUV's exterior has been crafted to captivate and impress. Inside, its tastefully

minimalistic layout includes a premium centre console with all the bells and whistles at your command, stylish soft and supple faux leather seats\*, and a surprisingly spacious back row for passengers to stretch out and relax on every drive.

\*Top and HEV models only

NEXT-LEVEL  
DESIGN

# NEXT-LEVEL PERFORMANCE

## Powerful engine

Powerful yet economical turbocharged engines characterise the all-new Haval Jolion line-up, with the 1.5T delivering up to 110 kW and 220 Nm with an impressive fuel economy of 7.5 L/100 km.

## Smoother gears

A quieter and more efficient drive is what you get, compliments of the latest 7DCT technology in the petrol version ensuring super smooth gear changes throughout your journey.

## A mode for every mood

Tailor your driving experience with a selection of 4 modes: Standard for everyday driving, Eco for max fuel savings, Sport for lively performance and Snowfield for enhanced traction on slippery surfaces.

## Meticulous drivetrain

An improved suspension setup in the all-new Haval Jolion offers a more responsive driving personl, featuring independent multi-link suspension. Paired with glossy 18-inch alloy sports wheels, every turn becomes a statement.

The 1.5T Engine,  
Maximum Rated Power 110kW,
